

What or who  
is important  
in your life?

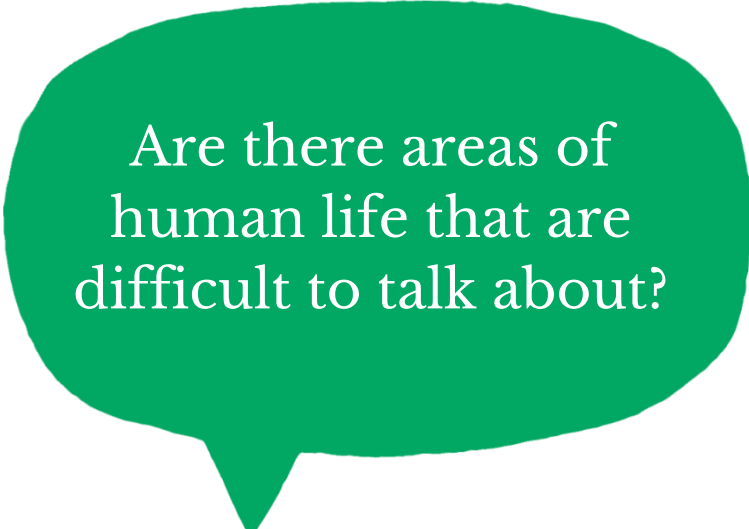

What could you  
easily give up?

What or whom  
do you love?  
This might be people,  
but also animals,  
places, artworks,  
objects or activities.

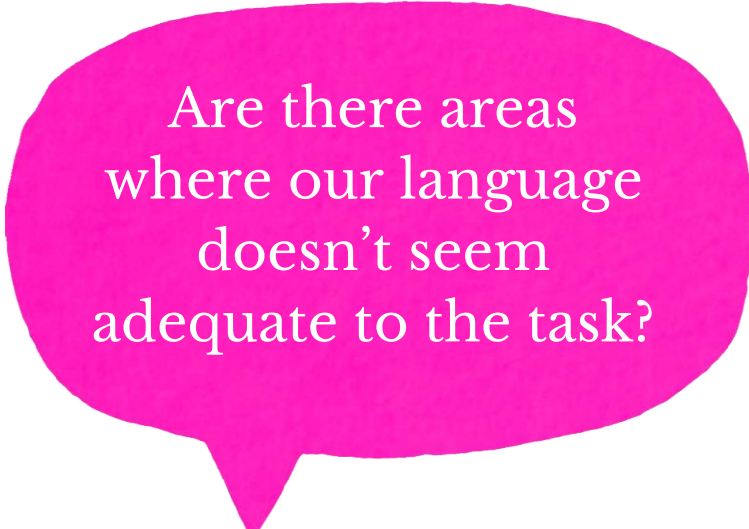

How do you feel  
when you are giving  
your full attention  
to that person  
or thing?

What do you know  
or understand now  
that you didn't  
know or understand  
when you were  
younger?

What did you  
understand when you  
were younger that you  
now find confusing or  
puzzling?

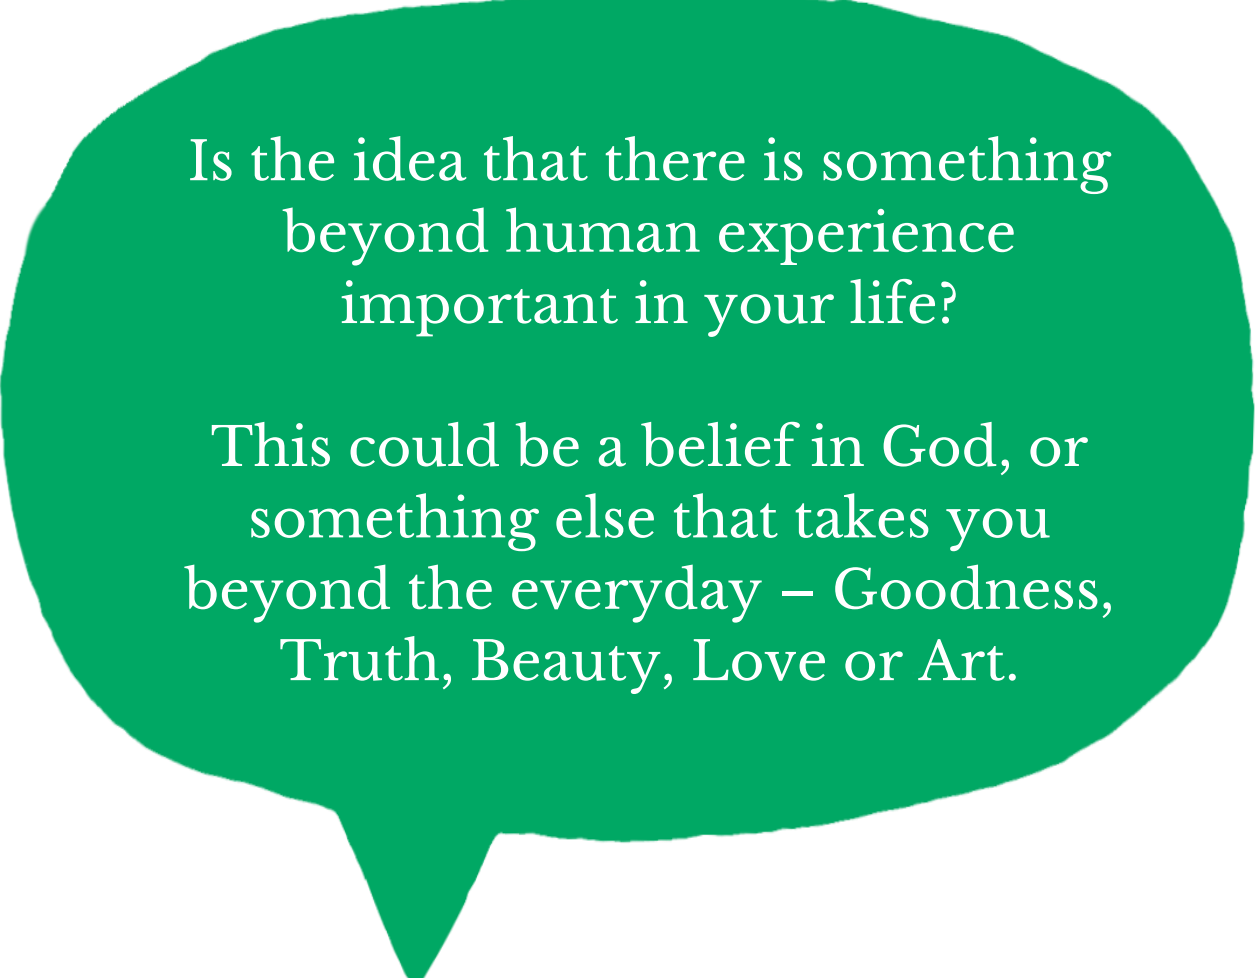

Are there areas of human life that are difficult to talk about?

Are there areas where our language doesn't seem adequate to the task?

---

Is the idea that there is something beyond human experience important in your life?

This could be a belief in God, or something else that takes you beyond the everyday – Goodness, Truth, Beauty, Love or Art.
